****Participation in all sessions and roundtables is *required*.**

Participants will engage in monthly peer group roundtable discussions held on the **third Tuesday** of each month at WMCI from **2:00–3:30 PM** (with occasional adjustments for ABC events and conferences).

In addition to the roundtables, the program includes:

- **Four full-day leadership training sessions** led by Mindfit Coaching, focusing on intentional and impactful leadership development.
- **ABC Michigan Legislative Day**, offering participants the opportunity to engage with policymakers and learn about defending the merit shop construction industry.

This program is designed to equip participants with the tools, resources, and network they need to excel as future leaders in the construction industry.
